ABOUT US

Lotus Masala is building on a single objective which is to deliver instant spices that simplify the life of people by helping them prepare home-cooked healthy food to feed their hunger and soul. We make instant spices by using high-quality pure products that are easy to use, simple to store & have a convenient packaging. Thus, we are into the business of manufacturing, distributing & selling of instant spices, cooking paste & pickles.

In the year 1963, we became one of the pioneers to start the manufacturing of instant spices in India. With a vision to reach out to all leading counters of Gujarat, we plan to expand the reach of Instant spices nationally as well as internationally!
